Objective

Four players are split into two teams, a thrower & skip Vs two sweepers.

The throwing team tries to draw to the house. The sweeping team try to keep the stone out the house. e.g. If the stone is going to be short they will not sweep however if the stone looks as though it is going in, they will sweep it through the house.

Once all stones of one colour have been played the teams swap roles.

Scoring

One point for every stone in the house for the throwing team.

One point for every stone kept out the house to the sweeping team.
