Appendix 1

Appeals Relating to Selection to World Championships

This document sets out the Appeals Procedure where an Athlete (“the Appellant Athlete”) wishes to appeal a selection decision taken in respect of World Curling Championship selection. The Scottish Curling (SC) Appeals Procedure will be adopted for this purpose.

An Athlete seeking an appeal of a selection decision should be aware of the time limits contained in the Policy which are designed with the intention of resolving issues in a timely, fair and transparent manner.

This Procedure is the only applicable appeals procedure and forms the entire agreement between each team wishing to be selected for the World Championships and British Curling (BC) and Scottish Curling (SC) (together, “the Parties”). The Parties agree not to commence, continue, or maintain any legal challenge to any matter covered by this policy before any court of law. The Parties will treat all decisions under this Procedure as final and binding upon them

The British Curling appeal procedure consists of 1 stage:

- **Stage 1.** An internal appeal panel to consider the grounds and merits of the appeal. Where the selection relates to the World Curling Championships.

All players should read this policy carefully and satisfy themselves that they are eligible to appeal in the first instance. Any appeals which do not satisfy the grounds of appeals will be dismissed automatically.

1. Grounds for Appeal

An Athlete may appeal against a selection/nomination decision relating to the World Curling Championships on one or more of the following grounds:

- a. the correct selection process was not followed;
- b. a decision maker was biased; OR

2. Appeal Procedure

This Appeal Procedure begins when an Appellant Athlete submits a formal written appeal that identifies one of the permitted grounds of appeal (“the Notice of Appeal”) to the CEO of Scottish Curling, Bruce Crawford, bruce@scottishcurling.org.

The Notice of Appeal must be received by Scottish Curling within **3 working days** of the selection decision, being communicated in writing (usually via email).

The Notice of Appeal must set out the full details of the Appellant Athlete's ground(s) of appeal and include:

- a. details of the decision which the Athlete is appealing;
- b. details of the ground(s) of appeal upon which the Athlete relies, including the manner in which the Appellant Athlete alleges that such ground(s) apply; AND
- c. any documents or written evidence upon which the Appellant Athlete relies in support of his or her appeal.

3. Internal Appeal Panel

The Appeal Panel shall consist of three independent people selected by Scottish Curling.

The Internal Appeal Panel shall:

- a. **dismiss** the appeal and confirm the original selection decision; OR
- b. **uphold** the appeal and remit the matter back to the original selection group, outlining the errors they have identified in the conduct of the original selection process, and request that a new decision is made within 48 hours.

The British Athletes Commission (BAC), provides independent, confidential advice and support to World Class Performance athletes and BAC members, with selection process, disputes and appeals.

The BAC is always balanced and independent in its advice to athletes and if it feels there are no grounds for appeal, it will say so. The BAC offers pastoral and emotional support throughout any process as well as referring athletes to Sport Resolution UK (SRUK) to request pro-bono legal advice if necessary.
