

Ice Rink / Development Group / Club Development Plan 2026/27 Season

Use this development plan to help shape development activity at the rink / within your club.

Scottish Curling's strategy 2023-2027: Sweeping Change – The Future of Curling, sets out the strategic priorities and long-term outcomes for the organisation including our five pillars; Engagement, Participation, People, Places and Pathway. Ice rinks should consider these pillars when deciding on objectives for the season. The full strategy can be found [here](#)
